History of Angels for Hope

In December of 2002 the original owner of "Angels for Hope" stepped down.

At that time, Kelly Smith assumed the duties of running the group of 15 members, but due to health problems took on a partner, Cindy Gabner, in January, 2003. Due to those health reasons, Kelly had to step down. Angels for Hope became incorporated in April of 2005.

Our Mission Statement

Our mission is to help people send a message of hope and caring by providing them a symbol and the means to deliver it. By offering our crocheted angels, butterflies, and smiley faces free of charge, anyone can touch the life of those in need of hope.
